This summary, as well as the questions and answers, will also be posted on eMaryland Marketplace. See IFB Section 1.8.

In order to assure adequate seating and other accommodations at the Conference, please e-mail or fax the Pre-Bid Conference Response Form (**Attachment E**) to the attention of the Procurement Officer at least five (5) Business Days prior to the Pre-Bid Conference date. In addition, if there is a need for sign language interpretation and/or other special accommodations due to a disability, please notify the Procurement Officer at least five (5) Business Days prior to the Pre-Bid Conference date. The Agency will make a reasonable effort to provide such special accommodation.

A site visit is suggested for prospective Bidders to assist in responding to this IFB. A site visit has been pre-scheduled after the Conference. All prospective Bidders are encouraged to attend in order to facilitate better preparation of their Bids. Note that questions asked by prospective Bidders during site visits should pertain to specifics of the site being toured; questions concerning the solicitation will not be answered during a site visit, and should be submitted in writing to the Procurement Officer. See Section 1.9 below.

1.8 eMarylandMarketplace

Each Bidder is requested to indicate its eMaryland Marketplace (eMM) vendor number in the Transmittal Letter (cover letter) submitted at the time of its Bid submission to this IFB.

eMM is an electronic commerce system administered by the Maryland Department of General Services. In addition to using the SRA website <http://www.sra.state.md.us/Agency/Downloads/Default.aspx> and possibly other means for transmitting the RFP and associated materials, the solicitation and summary of the Pre-Proposal Conference, Offeror questions and the Procurement Officer's responses, addenda, and other solicitation-related information will be provided via eMM.

In order to receive a contract award, a vendor must be registered on eMM. Registration is free. Go to <https://emaryland.buyspeed.com/bsa/login.jsp>, click on "Register" to begin the process, and then follow the prompts.

1.9 Questions

Questions to the Procurement Officer shall be submitted via e-mail to the Procurement Officer's e-mail address indicated in the IFB Key Information Summary Sheet (near the beginning of the solicitation, after the Title Page and Notice to Vendors). Please identify in the subject line the Solicitation Number and Title. Questions, both oral and written, will also be accepted from prospective Bidders attending the Conference. If possible and appropriate, these questions will be answered at the Conference.

Questions will also be accepted subsequent to the Conference and should be submitted to the Procurement Officer via email in a timely manner prior to the Bid due date. Questions are requested to be submitted at least five (5) days prior to the Bid due date. The Procurement Officer, based on the availability of time to research and communicate an answer, shall decide whether an answer can be given before the Bid due date. Time permitting, answers to all substantive questions that have not previously been answered, and are not clearly specific only to the requestor, will be distributed to all vendors that are known to have received a copy of the IFB in sufficient time for the answer to be taken into consideration in the Bid.

1.10 Procurement Method

This Contract will be awarded in accordance with the Competitive Sealed Bidding method under COMAR 21.05.02.

1.11 Bids Due (Closing) Date and Time

Bids, in the number and form set forth in Section 4.4 “Required Bid Submissions,” must be received by the Procurement Officer at the Procurement Officer’s address and no later than the Bid Due date and time indicated in the IFB Key Information Summary Sheet (near the beginning of the solicitation, after the Title Page and Notice to Vendors) in order to be considered.

Requests for extension of this time or date will not be granted. Bidders mailing Bids should allow sufficient mail delivery time to ensure timely receipt by the Procurement Officer. Except as provided in COMAR 21.05.02.10, Bids received after the due date and time listed in this section will not be considered.

Bids may be modified or withdrawn by written notice received by the Procurement Officer before the time and date set for the opening.

Bids may not be submitted by e-mail or facsimile.

Vendors not responding to this solicitation are requested to submit the “Notice to Vendors” form, which includes company information and the reason for not responding (e.g., too busy, cannot meet mandatory requirements, etc.). This form is located in the IFB immediately following the Title Page (page ii).

1.12 Multiple or Alternate Bids

Multiple and/or alternate Bids will not be accepted.

1.13 Receipt, Opening and Recording of Bids

- 1.13.1 Receipt. Upon receipt, each Bid and any timely modification(s) to a Bid shall be stored in a secure place until the time and date set for bid opening. Before Bid opening, the State may not disclose the identity of any Bidder.
- 1.13.2 Opening and Recording. Bids and timely modifications to Bids shall be opened publicly, at the time, date and place designated in the IFB. The name of each Bidder, the total Bid price, and such other information as is deemed appropriate shall be read aloud or otherwise made available.
- 1.13.3 The Bid Opening shall be at the date, time, and location indicated in the IFB Key Information Summary Sheet (near the beginning of the solicitation, after the Title Page and Notice to Vendors)

1.14 Confidentiality of Bids

The Bids shall be tabulated or a Bid abstract made. The opened Bids shall be available for public inspection at a reasonable time after Bid opening, but in any case before contract award, except to the extent the Bidder designates trade secrets or other proprietary data to be confidential as set forth in this solicitation. Material so designated as confidential shall accompany the Bid and shall be readily separable from the Bid in order to facilitate public inspection of the non-confidential portion of the Bid, including the Total Bid Price.

For requests for information made under the Public Information Act (PIA), the Procurement Officer shall examine the Bids to determine the validity of any requests for nondisclosure of trade secrets and other proprietary data identified in writing. Nondisclosure is permissible only if approved by the Office of the Attorney General.

1.15 Award Basis

The Contract shall be awarded to the responsible Bidder submitting a responsive Bid with the most favorable Total Bid Price (as referenced in COMAR 21.05.02.13) for providing the goods and services as specified in this IFB. The most favorable Total Bid Price will be the lowest price total on **Attachment E** - Bid Form.

1.16 Tie Bids

Tie Bids will be decided pursuant to COMAR 21.05.02.14.

1.17 Duration of Bid

Bids submitted in response to this IFB are irrevocable for 120 days following the closing date of the Bids. This period may be extended at the Procurement Officer's request only with the Bidder's written agreement.

1.18 Revisions to the IFB

If it becomes necessary to revise this IFB before the due date for Bids, the Agency shall endeavor to provide addenda to all prospective Bidders that were sent this IFB or which are otherwise known by the Procurement Officer to have obtained this IFB. In addition, addenda to the IFB will be posted on the Agency's procurement web page and through eMM. It remains the responsibility of all prospective Bidders to check all applicable websites for any addenda issued prior to the submission of Bids.

Acknowledgment of the receipt of all addenda to this IFB issued before the Bid due date shall be included in the Transmittal Letter accompanying the Bidder's Bid. Failure to acknowledge receipt of an addendum does not relieve the Bidder from complying with the terms, additions, deletions, or corrections set forth in the addendum, and may cause the Bid to be rejected as being non-responsive to the requirements of the IFB.

1.19 Cancellations

The State reserves the right to cancel this IFB, or accept or reject any and all Bids, in whole or in part, received in response to this IFB.

1.20 Incurred Expenses

The State will not be responsible for any costs incurred by any Bidder in preparing and submitting a Bid or in performing any other activities related to submitting a Bid in response to this solicitation.

1.21 Protest/Disputes

Any protest or dispute related, respectively, to this solicitation or the resulting Contract shall be subject to the provisions of COMAR 21.10 (Administrative and Civil Remedies).

1.22 Bidder Responsibilities

The selected Bidder shall be responsible for rendering services for which it has been selected as required by this IFB. All subcontractors shall be identified and a complete description of their role relative to the Bid shall be included in the Bidder's Bid.

If a Bidder that seeks to perform or provide the services required by this IFB is the subsidiary of another entity, all information submitted by the Bidder, such as but not limited to, references, financial reports, or experience and documentation (e.g. insurance policies, bonds, letters of credit) used to meet minimum qualifications, if any, shall pertain exclusively to the Bidder, unless the parent organization will guarantee the performance of the subsidiary. If applicable, the Bidder shall submit with its Bid an explicit statement, signed by an authorized representative of the parent organization, stating that the parent organization will guarantee the performance of the subsidiary.

1.23 Substitution of Personnel

If the solicitation requires that a particular individual or personnel be designated by the Bidder to work on the Contract, any substitution of personnel after the Contract has commenced must be approved in writing by the Contract Monitor prior to the substitution. If the Contractor substitutes personnel without the prior written approval of the Contract Monitor, the Contract may be terminated for default which shall be in addition to, and not in lieu of, the State's remedies under the Contract or which otherwise may be available at law or in equity.

1.24 Mandatory Contractual Terms

By submitting a Bid in response to this IFB, a Bidder, if selected for award, shall be deemed to have accepted the terms and conditions of this IFB and the Contract, attached herein as **Attachment A**. Any exceptions to this IFB or the Contract must be raised prior to Bid submission. **Changes to the solicitation, including the Bid Form or Contract, made by the Bidder may result in Bid rejection.**

1.25 Bid/Proposal Affidavit

A Bid submitted by a Bidder must be accompanied by a completed Bid/Proposal Affidavit. A copy of this Affidavit is included as **Attachment B** of this IFB.

1.26 Contract Affidavit

All Bidders are advised that if a Contract is awarded as a result of this solicitation, the successful Bidder will be required to complete a Contract Affidavit. A copy of this Affidavit is included as **Attachment C** of this IFB. This Affidavit must be provided within five (5) Business Days of notification of proposed Contract award. This Contract Affidavit is also required to be submitted by the Contractor with any Contract renewal, including the exercise of any options or modifications that may extend the Contract term. For purposes of completing Section "B" of this Affidavit (Certification of Registration or Qualification with the State Department of Assessments and Taxation), note that a business entity that is organized outside of the State of Maryland is considered to be a "foreign" business.

1.27 Compliance with Laws/Arrearages

By submitting a Bid in response to this IFB, the Bidder, if selected for award, agrees that it will comply with all Federal, State, and local laws applicable to its activities and obligations under the Contract.

By submitting a response to this solicitation, each Bidder represents that it is not in arrears in the payment of any obligations due and owing the State, including the payment of taxes and employee benefits, and that it shall not become so in arrears during the term of the Contract if selected for Contract award.

1.28 Verification of Registration and Tax Payment

Before a business entity can do business in the State it must be registered with the State Department of Assessments and Taxation (SDAT). SDAT is located at State Office Building, Room 803, 301 West Preston Street, Baltimore, Maryland 21201. The SDAT website is <http://sdatcert3.resiusa.org/ucc-charter/>.

It is strongly recommended that any potential Bidder complete registration prior to the due date for receipt of Bids. A Bidder's failure to complete registration with SDAT may disqualify an otherwise successful Bidder from final consideration and recommendation for Contract award.

1.29 False Statements

Bidders are advised that Md. Code Ann., State Finance and Procurement Article, § 11-205.1 provides as follows:

1.29.1 In connection with a procurement contract a person may not willfully:

- (a) Falsify, conceal, or suppress a material fact by any scheme or device;
- (b) Make a false or fraudulent statement or representation of a material fact; or
- (c) Use a false writing or document that contains a false or fraudulent statement or entry of a material fact.

1.29.2 A person may not aid or conspire with another person to commit an act under subsection (1) of this section.

1.29.3 A person who violates any provision of this section is guilty of a felony and on conviction is subject to a fine not exceeding \$20,000 or imprisonment not exceeding five years or both.

1.30 Payments by Electronic Funds Transfer

By submitting a response to this solicitation, the Bidder/Offeror agrees to accept payments by electronic funds transfer (EFT) unless the State Comptroller's Office grants an exemption. Payment by EFT is mandatory for contracts exceeding \$200,000. The selected Bidder/Offeror shall register using the COT/GAD X-10 Vendor Electronic Funds (EFT) Registration Request Form. Any request for exemption must be submitted to the State Comptroller's Office for approval at the address specified on the COT/GAD X-10 form, must include the business identification information as stated on the form, and must include the reason for the exemption. The COT/GAD X-10 form may be downloaded from the Comptroller's website at:

http://comptroller.marylandtaxes.com/Government_Services/State_Accounting_Information/Static_Files/APM/gadx-10.pdf

1.31 Prompt Payment Policy

The Prompt Pay Policy does not pertain to this procurement.

1.32 Electronic Procurements Authorized

- A. Under COMAR 21.03.05, unless otherwise prohibited by law, the Agency may conduct procurement transactions by electronic means, including the solicitation, bidding, award, execution, and administration of a contract, as provided in Md. Code Ann., Maryland Uniform Electronic Transactions Act, Commercial Law Article, Title 21.
- B. Participation in the solicitation process on a procurement contract for which electronic means has been authorized shall constitute consent by the Bidder/Offeror to conduct by electronic means all elements of the procurement of that Contract which are specifically authorized under the solicitation or the Contract.
- C. "Electronic means" refers to exchanges or communications using electronic, digital, magnetic, wireless, optical, electromagnetic, or other means of electronically conducting transactions. 1.35 Living Wage Requirements

Maryland law requires that Contractors meeting certain conditions pay a living wage to covered employees on State service contracts over \$100,000. Maryland Code, State Finance and Procurement, § 18-101 *et al.* The Commissioner of Labor and Industry at the Department of Labor, Licensing and Regulation requires that a Contractor subject to the Living Wage law submit payroll records for covered employees and a signed statement indicating that it paid a living wage to covered employees; or receive a waiver from Living Wage reporting requirements. *See* COMAR 21.11.10.05.

If subject to the Living Wage law, Contractor agrees that it will abide by all Living Wage law requirements, including but not limited to reporting requirements in COMAR 21.11.10.05. Contractor understands that failure of Contractor to provide such documents is a material breach of the terms and conditions and may result in Contract termination, disqualification by the State from participating in State contracts, and other sanctions. See the “Living Wage” clause in the Contract (**Attachment A**).

Additional information regarding the State’s living wage requirement is contained in **Attachment G**. Bidders/Offerors must complete and submit the Maryland Living Wage Requirements Affidavit of Agreement (**Attachment G-1**) with their Bid/Proposal. If a Bidder/Offeror fails to complete and submit the required documentation, the State may determine a Bidder/Offeror to be not responsible under State law.

Contractors and subcontractors subject to the Living Wage Law shall pay each covered employee at least the minimum amount set by law for the applicable Tier area. The specific living wage rate is determined by whether a majority of services take place in a Tier 1 Area or Tier 2 Area of the State. The Tier 1 Area includes Montgomery, Prince George’s, Howard, Anne Arundel and Baltimore Counties, and Baltimore City. The Tier 2 Area includes any county in the State not included in the Tier 1 Area. In the event that the employees who perform the services are not located in the State, the head of the unit responsible for a State Contract pursuant to §18-102(d) of the State Finance and Procurement Article shall assign the tier based upon where the recipients of the services are located.

The Contract resulting from this solicitation will be determined to be a Tier 1 Contract or a Tier 2 Contract depending on the location(s) from which the Contractor provides 50% or more of the services. The Bidder/Offeror must identify in its Bid/Proposal the location(s) from which services will be provided, including the location(s) from which 50% or more of the Contract services will be provided.

- If the Contractor provides 50% or more of the services from a location(s) in a Tier 1 jurisdiction(s) the Contract will be a Tier 1 Contract.
- If the Contractor provides 50% or more of the services from a location(s) in a Tier 2 jurisdiction(s), the Contract will be a Tier 2 Contract.
- If the Contractor provides more than 50% of the services from an out-of-State location, the State agency determines the wage tier based on where the majority of the service recipients are located. In this circumstance, this Contract will be determined to be a Tier 1 Contract.

Information pertaining to reporting obligations may be found by going to the Maryland Department of Labor, Licensing and Regulation (DLLR) website <http://www.dllr.state.md.us/labor/prev/livingwage.shtml>.

NOTE: Whereas the Living Wage may change annually, the Contract price may not be changed because of a Living Wage change.

Although Maryland law does not generally authorize procuring units to favor resident Bidders in awarding procurement contracts, many other states do grant their resident businesses preferences over Maryland contractors. Therefore, COMAR 21.05.01.04 permits procuring units to apply a reciprocal preference in favor of a Maryland resident business under the following conditions:

- The Maryland resident business is a responsible Bidder;
- The most advantageous Bid is from a responsible Bidder whose principal office or principal operations through which it would provide the services required under this IFB is in another state;
- The other state gives a preference to its resident businesses through law, policy, or practice; and

The preference given shall be identical to the preference that the other state, through law, policy, or practice gives to its resident businesses.

4.6 Delivery

Bidders may either mail or hand-deliver Bids.

- 4.6.1 For U.S. Postal Service deliveries, any bid that has been received at the appropriate mail room, or typical place of mail receipt for the respective procuring unit by the time and date listed in the IFB will be deemed to be timely. If a Bidder chooses to use the U.S. Postal Service for delivery, the Agency recommends that it use Express Mail, Priority Mail, or Certified Mail only as these are the only forms for which both the date and time of receipt can be verified by the Agency. It could take several days for an item sent by first class mail to make its way by normal internal mail to the procuring unit and a Bidder using first class mail will not be able to prove a timely delivery at the mailroom..
- 4.6.2 Hand-delivery includes delivery by commercial carrier acting as agent for the Bidder. For any type of direct (non-mail) delivery, a Bidder is advised to secure a dated, signed, and time-stamped (or otherwise indicated) receipt of delivery.

B. CERTIFICATION REGARDING COMMERCIAL NONDISCRIMINATION

The undersigned Bidder/Offeror hereby certifies and agrees that the following information is correct: In preparing its Bid/Proposal on this project, the Bidder/Offeror has considered all Proposals submitted from qualified, potential subcontractors and suppliers, and has not engaged in "discrimination" as defined in § 19-103 of the State Finance and Procurement Article of the Annotated Code of Maryland. "Discrimination" means any disadvantage, difference, distinction, or preference in the solicitation, selection, hiring, or commercial treatment of a vendor, subcontractor, or commercial customer on the basis of race, color, religion, ancestry, or national origin, sex, age, marital status, sexual orientation, sexual identity, or on the basis of disability or any otherwise unlawful use of characteristics regarding the vendor's, supplier's, or commercial customer's employees or owners. "Discrimination" also includes retaliating against any person or other entity for reporting any incident of "discrimination". Without limiting any other provision of the solicitation on this project, it is understood that, if the certification is false, such false certification constitutes grounds for the State to reject the Bid/Proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/Proposal. As part of its Bid/Proposal, the Bidder/Offeror herewith submits a list of all instances within the past 4 years where there has been a final adjudicated determination in a legal or administrative proceeding in the State of Maryland that the Bidder/Offeror discriminated against subcontractors, vendors, suppliers, or commercial customers, and a description of the status or resolution of that determination, including any remedial action taken. Bidder/Offeror agrees to comply in all respects with the State's Commercial Nondiscrimination Policy as described under Title 19 of the State Finance and Procurement Article of the Annotated Code of Maryland.

B-1. CERTIFICATION REGARDING MINORITY BUSINESS ENTERPRISES.

The undersigned Bidder/Offeror hereby certifies and agrees that it has fully complied with the State Minority Business Enterprise Law, State Finance and Procurement Article, § 14-308(a)(2), Annotated Code of Maryland, which provides that, except as otherwise provided by law, a contractor may not identify a certified minority business enterprise in a Bid/Proposal and:

- (3) Fail to use the certified minority business enterprise in the performance of the contract; or
- (4) Pay the certified minority business enterprise solely for the use of its name in the Bid/Proposal.

Without limiting any other provision of the solicitation on this project, it is understood that if the certification is false, such false certification constitutes grounds for the State to reject the Bid/Proposal submitted by the Bidder/Offeror on this project, and terminate any contract awarded based on the Bid/Proposal.

B-2. CERTIFICATION REGARDING VETERAN-OWNED SMALL BUSINESS ENTERPRISES.

- A) All Unit and Extended Prices must be clearly entered in dollars and cents, e.g., \$24.15. Make your decimal points clear and distinct.
- B) All Unit Prices must be the actual price per unit the State will pay for the specific item or service identified in this IFB and may not be contingent on any other factor or condition in any manner.
- C) All calculations shall be rounded to the nearest cent, i.e., .344 shall be .34 and .345 shall be .35.
- D) Any goods or services required through this IFB and proposed by the vendor at **No Cost to the State** must be clearly entered in the Unit Price, if appropriate, and Extended Price with **\$0.00**.

- F) Except as instructed on the Bid Form, nothing shall be entered on or attached to the Bid Form that alters or proposes conditions or contingencies on the prices. Alterations and/or conditions usually render the Bid non-responsive, which means it will be rejected.
- G) It is imperative that the prices included on the Bid Form have been entered correctly and calculated accurately by the Bidder and that the respective total prices agree with the entries on the Bid Form. Any incorrect entries or inaccurate calculations by the Bidder will be treated as provided in COMAR 21.05.03.03E and 21.05.02.12, and may cause the Bid to be rejected.
- H) If option years are included, Bidders must submit pricing for each option year. Any option to renew will be exercised at the sole discretion of the State and will comply with all terms and conditions in force at the time the option is exercised. If exercised, the option period shall be for a period identified in the IFB at the prices entered in the Bid Form.
- I) All Bid prices entered below are to be fully loaded prices that include all costs/expenses associated with the provision of services as required by the IFB. The Bid price shall include, but is not limited to, all: labor, profit/overhead, general operating, administrative, and all other expenses and costs necessary to perform the work set forth in the solicitation. No other amounts will be paid to the Contractor. If labor rates are requested, those amounts shall be fully-loaded rates; no overtime amounts will be paid.
- J) Unless indicated elsewhere in the IFB, sample amounts used for calculations on the Bid Form are typically estimates for bidding purposes only. The Agency does not guarantee a minimum or maximum number of units or usage in the performance of this Contract.
- K) Failure to adhere to any of these instructions may result in the Bid being determined non-responsive and rejected by the Agency.
