IMPORTANT: This form must be completed and filed within 120 days of notification of Board approval for disability retirement. RETIREMENT
USE ONLY

FORM 98-101 (REV. 6/18)

INSTRUCTIONS FOR COMPLETION OF APPLICATION

IMPORTANT: Read the following instructions and information carefully before filling out this form.

1. If you are married at time of retirement, you must choose the Basic Allowance.
2. After you have completed this form, you should also complete Forms 85 (Direct Deposit - Electronic Funds Transfer Sign-Up) and 766 (Federal and Maryland State Tax Withholding Request) and forward them to your Retirement Coordinator.
3. If you have chosen the Basic Allowance or payment option 2, 3, 5 or 6, you must verify your beneficiary's date of birth by attaching a copy of his or her birth certificate, valid driver's license or other proof. For information on acceptable proofs of birth date, call a Retirement Benefits Specialist at the number shown below.
4. If you are electing Option 2 or 5, you cannot designate a beneficiary who is more than 10 years younger unless the beneficiary is your disabled child. If you elect Option 2 or Option 5 and designate your disabled child, you must submit a completed Form 143 (Verification of Retiree's Disabled Child for Selection of Option 2/5 Beneficiary) with this application.
5. If you wish to purchase previous service or apply for military service for which you are eligible, ask your Retirement Coordinator for the proper form(s) and submit it with this application. Additional credit cannot be claimed or purchased after your retirement.
6. If you wish to name more than one beneficiary and you are choosing the Option 1 Allowance or the Option 4 Allowance, you should not fill out the "Designation of Beneficiary" section on page 2. Instead, fill out and attach Form 4 (Designation of Beneficiary Form).
7. If you are eligible to participate in the State Employees Health Insurance Program, The Basic Allowance or Option 2, 3, 5 or 6 continue health program coverage for your eligible surviving dependents, after your death. Contact your employing agency for details.
8. You may change your retirement allowance selection only by filing a change with the State Retirement Agency before your first payment is due. In most cases, the first payment is due 30 days after the effective date of your retirement. You cannot change your selection after this due date.
9. If you die before the effective date of your retirement, your beneficiary cannot receive a retirement allowance even if you have completed this form. If you are still in active service at the time of your death, your beneficiary is only eligible for the active service death benefit.
10. You may change your beneficiary at any time. Depending on the option you have chosen, however, your retirement allowance may have to be recalculated to reflect the change. Your benefit amount could be reduced as a result of the change. For more information, call a Retirement Benefits Specialist.
11. You must retire within 30 days of separating from employment with a participating employer to receive additional creditable service for your unused sick leave. Unused sick leave is sick leave that was available to an employee as sick leave during employment and was not used before retirement. Any converted leave that was not sick leave during employment may not be reported.
12. Generally speaking, no member may receive more than one type of retirement benefit.
13. If you have voluntary contributions in your account and have elected to withdraw them in a lump sum, you must attach a completed *Application for Withdrawal of Voluntary Funds Package* to this application. This package may be obtained by calling a Retirement Benefits Specialist at the number shown below.

Reemployment After Retirement for Retirees of the Law Enforcement Officers' Pension System

VIDEO: For an overview of this information, go to sra.maryland.gov, select YouTube or Vimeo and watch "Reemployment After Retirement."

Keep a copy of this information on file as a handy reference for the future. You should also keep your Notice of Retirement Allowance that the Retirement Agency will send to you as a new retiree. The Notice of Retirement Allowance includes information such as the amount of your monthly retirement allowance, the beneficiary you designated and your earnings limitation. To determine what, if any, earnings limitation applies and the effect, if any, on your retirement allowance, you need your Notice of Retirement Allowance to identify the type of retirement you are receiving (service, ordinary disability or accidental disability) and your earnings limitation. Then apply the reemployment rules. Reemployment earnings are the annual reemployment compensation reported to the IRS that the retiree received during a calendar year. Note the reemployment rules do not apply while a retiree is participating in the Deferred Retirement Option Program (DROP).

Under no circumstances should your decision to retire be conditioned upon an offer of reemployment, and in fact, no offers of reemployment should be discussed by you and your employer prior to your retirement. However, if after your retirement you consider reemployment with an employer that participates in the State Retirement and Pension System (SRPS) you need to be aware of two important issues: Internal Revenue Service (IRS) guidelines regarding reemployment and Maryland retirement law regarding reemployment.

INTERNAL REVENUE SERVICE GUIDELINES REGARDING REEMPLOYMENT

There can be significant consequences to you and the SRPS if you retire before the normal retirement age of your plan and/or before age 59 1/2, and are reemployed with the same employer without a bona fide separation of service. Please note that all units of Maryland state government, including the University System of Maryland, are considered one employer.

The IRS can impose a significant tax penalty on your income if you are under the age of 59 1/2, retire and begin receiving your monthly retirement benefits, and are reemployed by the same employer from whom you retired. In order to avoid this penalty there must be a bona fide separation from service between you and your former employer.

If you retire before your normal retirement age, there are also serious IRS consequences to the SRPS if a bona fide separation does not take place following retirement and prior to reemployment with the same employer.

While the IRS has not specifically defined what constitutes a bona fide separation from service, it is clear that the more differences between your last job before retirement and the job being performed upon your reemployment, and the longer the break between the date of your retirement and the date of your reemployment, the more likely it is that there has been a bona fide separation of service. If you are reemployed to perform the same job, even if there is a reduction in your work schedule, this would not likely qualify as a bona fide separation of service unless there is a lengthy break in employment. Even arrangements where you are rehired as an "independent contractor" may not meet the IRS' standard.

MARYLAND RETIREMENT LAW REGARDING REEMPLOYMENT

There must be a minimum of **45 DAYS** between your retirement date and the date you are rehired by any employer that is a participating employer in the SRPS. All units of Maryland State government, including the University System of Maryland, are considered to be *one employer* under these reemployment rules.

Additionally, employment after retirement, under certain conditions, may cause your retirement allowance to be reduced.

SERVICE RETIREMENT

There is no earnings limit regardless of your employer. Your monthly benefit allowance will not be reduced by any earnings made after you have retired. If you are reemployed by a participating employer, you will not rejoin the system and you will not earn service credit from your new employment.

(FOR DISABILITY RETIREMENT RULES, PLEASE SEE FOLLOWING PAGE)

I acknowledge that I have received this information about my obligation with regard to reemployment and I agree to notify the Board of Trustees of my anticipated earnings should I return to work. I also understand that should I exceed the earnings limitations imposed by law, my monthly retirement allowance may be reduced or terminated until such time that any resulting overpayment of benefits is recovered. I understand that I must be separated from any and all employment, including substitute, seasonal, temporary, contractual, and/or permanent employment, with any employer that participates in the SRPS at the date of my retirement. By signing this form, I am certifying to the Maryland State Retirement Agency that at the date of my retirement, I will not be employed in any capacity by any employer that participates in the SRPS and that no discussions or offers of reemployment after my retirement have occurred between me and any employer that participates in the SRPS.

DISABILITY RETIREMENT
(continued from previous page)

Suspension of Disability Retirement: An ordinary or accidental disability allowance shall be temporarily suspended if the retiree:

- Is not eligible for normal service retirement, and
- Is employed by a participating employer as a probationary status law enforcement officer, a law enforcement officer, or chief as defined in §3-101 of the Public Safety Article, and
- Is receiving an annual compensation that is at least equal to the retiree's average final compensation at retirement.

There is no additional benefit accrued while employed. If suspended, the retiree's allowance will be reinstated on the first day of the month following the month in which the retiree ceased employment with the participating employer. The retiree's allowance at time of reinstatement will be adjusted to reflect the accumulated cost-of-living adjustments during suspension. Please note that the temporary suspension of a disability benefit causes the temporary suspension of retiree health insurance coverage if a deduction was being made from your monthly benefit for this coverage.

Earnings Limitation for Ordinary Disability Retirees Only: A retiree receiving an ordinary disability allowance shall be subject to an earnings limitation if the retiree:

- Is under normal retirement age, and
- Is employed by a participating employer as a probationary status law enforcement officer, a law enforcement officer, or chief as defined in §3-101 of the Public Safety Article, and
- Is receiving an annual compensation that exceeds the retiree's earnings limitation.

The reduction will be \$1 for every \$2 earned in excess of the limit, if you have been retired less than 10 years. If you have been retired 10 years or longer, the reduction will be \$1 for every \$5 over the limit.

An earnings limitation does not apply for Accidental Disability Retirees.

If you have any questions, call a retirement benefits specialist at 410-625-5555 or toll free 1-800-492-5909 to understand how the reemployment provisions apply to you. We will make every effort to assist you in understanding your options, but it is your responsibility to advise us of your reemployment.

RETIREMENT ALLOWANCE OPTIONS

**YOU MAY CHOOSE ONLY ONE OF THE FOLLOWING OPTIONS.
INDICATE YOUR SELECTION BY SIGNING IN THE APPROPRIATE BOX BELOW**

BLOCK 1 - BASIC ALLOWANCE

The **BASIC ALLOWANCE** provides the largest allowance each month until your death. At your death, one-half of the monthly allowance will be paid to your surviving spouse for life. If there is no eligible surviving spouse or if an eligible surviving spouse dies, then one-half of the monthly allowance will be paid in equal shares to your children who are under age 26 until every child dies or attains age 26. If you have no spouse or no children under age 26, the allowance ceases at your death and your beneficiary or estate will receive one payment if your death occurs on the 16th of the month or later. If you die **before** the effective date of retirement, your selection shall be void and benefits due to the death of a member in service will be paid. If you choose this option, you must send proof of your beneficiary's date of birth with this application.

SIGNATURE _____ DATE _____

BLOCK 2 - OPTIONAL ALLOWANCES

The following optional allowances are only available to members without a spouse as of the date of retirement. Sign the appropriate section in this block to indicate the selected option. Optional allowances are effective on the effective date of retirement. If you die **before** the effective date, the selected option shall be void and the benefits due to death of a member in service will be paid. The selected option cannot be changed after the first payment normally becomes due.

OPTION 1:

Provides a lower monthly benefit than the Basic Allowance, but guarantees monthly payments that equal the total of your retirement benefit's Present Value. The Present Value of your benefit is figured at the time of your retirement. If you die before receiving monthly payments that add up to the Present Value, the remaining payments will be paid in a lump sum to your designated beneficiary or beneficiaries who remain alive. For state employees: Option 1 does not provide for continued health coverage after your death.

SIGNATURE _____ DATE _____

OPTION 2:

Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death the same monthly benefit will continue to be paid to your surviving beneficiary for his or her lifetime. No further payments will be made after the deaths of you and your beneficiary. If you choose this option, you must send proof of your beneficiary's date of birth with this application. Retirees electing Option 2 cannot designate a beneficiary who is more than 10 years younger unless the beneficiary is the retiree's disabled child.

SIGNATURE _____ DATE _____

OPTION 3:

Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death one half of the monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. No further payments will be made after the deaths of you and your beneficiary. If you choose this option, you must send proof of your beneficiary's date of birth with this application.

SIGNATURE _____ DATE _____

OPTION 4:

Provides a lower monthly benefit than the Basic Allowance, but guarantees the return of your accumulated contributions and interest as established when you retire. If you die before you have recovered the full amount of your accumulated contributions and interest, the remainder will be paid in a lump sum to your designated beneficiary or beneficiaries who remain alive. For state employees: Option 4 does not provide for continued health coverage after your death.

SIGNATURE _____ DATE _____

OPTION 5:

Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death the same monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. It also provides that your monthly benefit will "pop-up" to the Basic Allowance for your lifetime the month following the death of your beneficiary if your beneficiary dies before you. If your original beneficiary dies and you are collecting the Basic Allowance and decide to name a new beneficiary, your benefit will be recalculated under Option 5 based on the new beneficiary designation. If you choose this option, you must send proof of your beneficiary's date of birth with this application. Retirees electing Option 5 cannot designate a beneficiary who is more than 10 years younger unless the beneficiary is the retiree's disabled child.

SIGNATURE _____ DATE _____

OPTION 6:

Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death one half of the monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. It also provides that your monthly benefit will "pop-up" to the Basic Allowance for your lifetime the month following the death of your beneficiary if your beneficiary dies before you. If your original beneficiary dies and you are collecting the Basic Allowance and decide to name a new beneficiary, your benefit will be recalculated under Option 6 based on the new beneficiary designation. If you choose this option, you must send proof of your beneficiary's date of birth with this application.
