If you are unmarried and name a beneficiary, you will receive an estimate for the Basic Allowance and all option allowances (1-6). If no beneficiary is named, you will receive an estimate for the Basic Allowance and Options 1 and 4 only. Remember, once your first retirement check is paid, you may not change your allowance option.

IF OPTION 2, 3, 5 or 6 IS REQUESTED INDICATE:
 Relationship (check): Spouse Disabled child Other Beneficiary's Date of Birth - - Beneficiary's Gender

If electing Option 2 or 5, you cannot designate a beneficiary who is more than 10 years younger unless the beneficiary is your disabled child.

BASIC: Provides the largest monthly allowance each month until your death. At the retiree's death, 80% of the monthly allowance will be paid to the surviving spouse for life or until such surviving spouse dies. If there is no eligible surviving spouse then 80% of the monthly allowance will be paid in equal shares to the children of the deceased retiree who are under age 18 until each child dies or attains age 18. If the retiree has no spouse or no children under age 18, the allowance ceases at the retiree's death.

THE FOLLOWING OPTIONAL ALLOWANCES ARE AVAILABLE ONLY TO MEMBERS WITHOUT SPOUSES.

OPTION 1: Provides a lower monthly benefit than the Basic Allowance, but guarantees monthly payments that equal the total of your retirement benefit's Present Value. The Present Value of your benefit is figured at the time of your retirement. If you die before receiving monthly payments that add up to the Present Value, the remaining payments will be paid in a lump sum to your designated beneficiary or beneficiaries who remain alive.

OPTION 2: Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death the same monthly benefit will continue to be paid to your surviving beneficiary for his or her lifetime. No further payments will be made after the deaths of you and your beneficiary. If you choose this option, you must send proof of your beneficiary's date of birth with your final retirement application.

OPTION 3: Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death one half of the monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. No further payments will be made after the deaths of you and your beneficiary. If you choose this option, you must send proof of your beneficiary's date of birth with your final retirement application.

OPTION 4: Provides a lower monthly benefit than the Basic Allowance, but guarantees the return of your accumulated contributions and interest as established when you retire. If you die before you have recovered the full amount of your accumulated contributions and interest, the remainder will be paid in a lump sum to your designated beneficiary or beneficiaries who remain alive.

OPTION 5: Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death the same monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. It also provides that your monthly benefit will "pop-up" to the Basic Allowance for your lifetime if your beneficiary dies before you. If your original beneficiary dies and you are collecting the Basic Allowance and decide to name a new beneficiary, your benefit will be recalculated under Option 5 based on the new beneficiary designation. If you choose this option, you must send proof of your beneficiary's date of birth with your final retirement application.

OPTION 6: Provides a lower monthly benefit than the Basic Allowance, but guarantees that after your death one half of the monthly benefit paid to you will be paid to your surviving beneficiary for his or her lifetime. It also provides that your monthly benefit will "pop-up" to the Basic Allowance for your lifetime if your beneficiary dies before you. If your original beneficiary dies and you are collecting the Basic Allowance and decide to name a new beneficiary, your benefit will be recalculated under Option 6 based on the new beneficiary designation. If you choose this option, you must send proof of your beneficiary's date of birth with your final retirement application.
